*new electronic check-in  
for parents of preschool & children*

Taylor's will be taking security and record keeping to a whole new level with our NEW electronic check-in system! This system is a much needed improvement. No matter which way you enter the Preschool and Children's areas on Sunday morning, you'll see a touch screen monitor.

It's Easy!

- Type in the last four digits of your phone number and your family information will appear.
- Check attendance.
- Stick on your name tags...  
you're done!

A volunteer will be nearby to assist you!
